There is a \$10 testing fee for the entire exam and \$10 for an individual subtest. Photo identification is required. Testing schedules are available online at www.irsc.edu and at all IRSC campuses.

In accordance with state law, the third time students register for a college preparatory class or for a college credit class, they will be assessed the full instructional cost.

OPEN DOOR ADMISSIONS

BACHELOR’S DEGREE IN EDUCATION GRADUATES EXCEL IN NEW TEACHING JOBS

IRSC graduate Kelli Siters, a math teacher at Port St. Lucie High School, was honored as the 2012 St. Lucie County Outstanding Teacher of the Year. The awards are based on a new teacher’s ability to motivate students and create an excellent learning environment. CAREER DEVELOPMENT PROGRAM

Since 1979, women and men throughout the Treasure Coast have participated in the services provided through the Career Development Program, formerly known as the Women's Program. The program was established to assist people in obtaining the skills and confidence necessary when entering the workforce or returning to school.

The Career Development Program includes the Professional Career Program, one credit self-enrichment classes, the Displaced Homemaker Program and the Equity for Non-Traditional Careers Program. The aim of the program is to assist individuals by providing information on alternatives available to them at the College and in the community so that they can achieve their potential. Some of the services offered are: referrals, career counseling, personal development, financial aid information, tuition assistance, and the 24 college-credit Technical Certificate in Business Management.

The Equity for Non-Traditional Career Program provides tuition assistance to individuals in the greatest financial need who are seeking the necessary education to pursue high-wage, non-traditional occupations. Women and men seeking non-traditional occupation degree programs or vocational certificate programs may benefit from this program. The Displaced Homemaker Program assists women and men who meet the Florida statute requirements and may be eligible for funding for tuition, books, and other services necessary to become self-sufficient. One of the criteria is that the student must be at least 35 years of age to qualify. The Displaced Homemaker and Equity counselors create an informal partnership with the students as advocates and mentors to promote success in reaching education and career goals. For more information, call the IRSC Information Call Center at 1-866-792-4772 or 772-462-4772.

IMPORTANT NEWS REGARDING
EXCESS HOURS AND TRANSFER TO
STATE UNIVERSITIES IN FLORIDA

Section 1009.286, Florida Statutes, establishes an “excess hour” surcharge for a student seeking a Baccalaureate Degree at a Florida public university. It is critical that students, including those entering Florida colleges, are aware of the potential for additional course fees. “Excess hours” are defined as hours that go beyond 115% of the hours required for a Baccalaureate Degree program. For example, if the length of the program is 120 credit hours, the student may be subject to an excess hour surcharge for any credits attempted beyond 138 credit hours (115% times 120 hours).

All students whose educational plan may include earning a Bachelor’s Degree should make every effort to enroll in and successfully complete those courses that are required for their intended major on their first attempt. Florida college students intending to transfer to a Florida public university should identify a major or “transfer program” early and be advised of admission requirements for that program, including the approved common prerequisites. Course withdrawals and/or repeats, as well as enrollment in courses nonessential to the intended major, may contribute to a potential excess hours surcharge.

Please schedule an appointment with your advisor to create an academic plan that ensures you enroll only in courses needed for your program so that you can avoid extra costs when transferring to one of Florida’s public universities.

Title IV aid includes all Federal Financial Aid programs authorized under the Higher Education Act of 1965 (as amended). The following IRSC financial aid sources are part of the Title IV programs: Unsubsidized Stafford Loans, Subsidized Stafford Loans, Federal PLUS Loans, Federal Supplemental Educational Opportunity Grants, Federal Pell Grants, and Federal TEACH Grants.
